

**REMARKS**

The Notice of Drawing Inconsistency with Specification indicated that Figures 8G-8L were listed in the Brief Description of the Drawings but not contained in the Drawings. The above amendment to the Brief Description of the Drawings amends the listing to include only FIGS. 8A-8F, consistent with the amended drawings filed on April 30, 2004.

The Notice of Drawing Inconsistency with Specification also indicated that Figure 8R is contained in the drawings but is not listed in the Brief Description of the Drawings. The applicant refers to the first preliminary amendment, filed on April 30, 2004. Drawing 8R was re-labeled Drawing 8F at that time. Therefore, the applicant does not find a drawing 8R in the current set of figures. If the Office still finds to the contrary, please contact the agent for the applicant, listed below.

In view of the above amendment, applicant believes the drawing inconsistencies have been resolved and the pending application is in condition for issuance.
